To All JCKL members,

22<sup>nd</sup> January 2024

## **Implementation of JCKL's New Membership System effective January 2024**

Thank you for your continuous support to our club.

Starting the year 2024, we would like to announce the implementation of a New Membership System which will allow applications to be made online. With the new system, applications previously made over-the-counter shall also be available online, such as applications for new members, various request forms, profile revision requests and also membership monthly payments, which can be made through members-only page screen in our website.

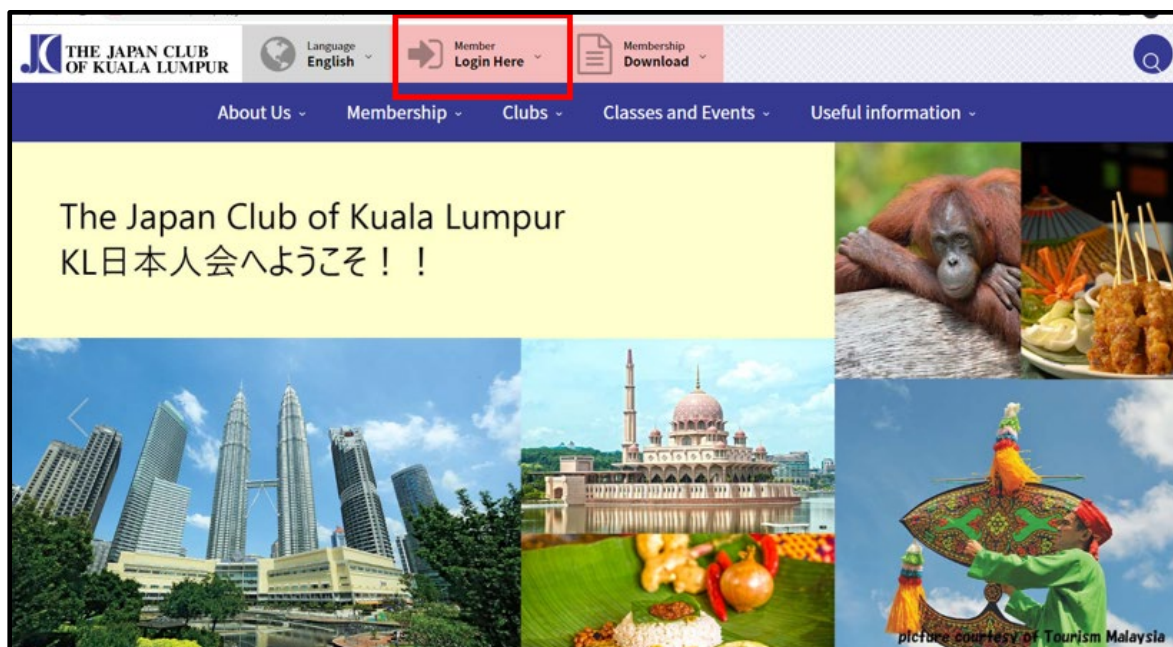

To be able to access the members' page, we will send the User ID and temporary Password to each registered email address (principal member), separately.

With the temporary password, please login to the member's page and create your own password. Additionally, the system allows you to check your balance of membership fees and can make payments by using credit card or bank transfer from the website.

Invoices and receipts can also be downloaded from the member's page. Inquiries regarding payments or receipts prior to January 2024 can be made individually at our office.

Inquiries about the new system can be made using the [inquiry form](#) in our website or email it to us at [office@jckl.org.my](mailto:office@jckl.org.my)

Your kind understanding is very much appreciated.
